

**European Group for Organizational Studies (EGOS)  
EGOS Pre-Colloquium PhD Workshop  
University of Cagliari  
Tuesday, July 4, 2023**

The **EGOS Pre-Colloquium PhD Workshop** provides an enjoyable opportunity for doctoral students to interact with, and learn from, fellow students and experienced scholars in our field. It also provides a springboard for successful academic careers by examining important issues such as publishing, reviewing, and qualitative research. Further, the workshop enables participants to approach their doctoral dissertations with renewed vigour by engaging in discussions on research design and methodologies with renowned colleagues and by reviewing their dissertation proposals with the help of others – fellow participants and more senior researchers who work in the respective area of scholarly inquiry. Finally, through the mix of European and international students and faculty members, participants gain exposure to similarities and differences across countries and continents in how academic processes work. This also enhances their understanding of different career opportunities and career paths.

## Instructions for PhD students

Please ...

- register for the colloquium at [https://www.egos.org/2023\\_Cagliari/REGISTRATION](https://www.egos.org/2023_Cagliari/REGISTRATION)
- upload your updated dissertation proposal by no later than June 15<sup>th</sup> on the EGOS webpage [https://www.egos.org/2023\\_Cagliari/General-Theme](https://www.egos.org/2023_Cagliari/General-Theme)). If you do not upload an updated version, we consider your first submission to be the most recent. Your updated proposal should include a specification of your research question, theoretical approach and methodological approach, but also a discussion of the main questions you would like to foreground and get feedback on during the round table: What is the most compelling part of your thesis? Which questions/challenges are you struggling with most? You should look to keep your proposal to around the 4 pages requested in the original call.
- Come prepared to outline these aspects in a short (5 min) verbal presentation (no ppts needed) and then discuss them with others in your group
- please also email your proposal to your round table facilitator and other round table participants **one week in advance** – note that the table allocation is provisional and might still be subject to change until then
- read the proposals of the other participants in your round table session. They are available on the EGOS website to your fellow PhD students (**but not to your mentors**)
- consider that all other participants in your round table session will have read your proposal.
