

Özyeğin University – Faculty of Business

Department of International Trade and Business – Open-Rank Faculty Position (Assistant, Associate, or Full Professor)

Application Deadline: November 05, 2026

The Department of International Trade and Business at the AACSB-accredited Faculty of Business, Özyeğin University, invites applications for **one open-rank faculty position at the Assistant, Associate, or Full Professor level**. We seek internationally oriented scholars holding a PhD in International Business or a closely related field who demonstrate excellence in research, teaching, and academic service.

Position Details

- **Rank:** Assistant, Associate, or Full Professor
- **Department:** International Trade and Business
- **Starting Date:** Fall 2027 (an earlier start date may be negotiable)

Qualifications

Successful candidates are expected to:

- Have a strong record of scholarly research and publication in international business and related areas, such as global strategy, international management, and comparative institutions;
- Demonstrate evidence of effective teaching at the undergraduate and/or graduate level;
- Show potential for academic leadership within the department and the broader scholarly community.

Benefits

Özyeğin University offers a supportive environment designed to facilitate research productivity and faculty development. Benefits and resources associated with the position include:

- **Competitive compensation:** The University offers competitive salaries benchmarked against the European academic market.
- **Teaching load:** The standard teaching load is four courses per academic year. Newly appointed faculty members teach three courses during their first academic year.
- **Research support:** All faculty members receive an annual research budget to support research-related activities, including conference participation, data collection, and other scholarly expenses.

- **Research faculty benefits:** Faculty members with strong research records may be selected for the University's research faculty scheme. Selection takes place annually, and the associated benefits remain in effect for three years. These benefits may include **50% tuition support for K–12 education** and access to **on-campus faculty housing**, subject to applicable University policies.
- **Housing for internationally recruited faculty:** Faculty members relocating from abroad may be offered on-campus housing, subject to availability.

Responsibilities

The successful candidate will be expected to:

- Conduct high-quality research and publish in leading journals in international business and related fields;
- Teach required and elective courses in International Trade and Business at the undergraduate and graduate levels;
- Advise and mentor students;
- Contribute to departmental service and broader academic engagement.

About the Department
