

NEOMA Business School
“The World We Want” Area of Excellence
Post-doc position

The newly-founded “**The World We Want**” (3W) Area of Excellence (AE) at NEOMA Business School invites applications for Post-doc positions. In line with the UN identified 17 Global Goals to achieve a better future, research in the 3W AE tackles these grand challenges with the aim to develop knowledge helping firms and governments in their strategies to build a better world. For more information on the 3W AE see: <https://neoma-bs.com/faculty-and-research/research/centres-of-expertise-chairs-institutes/the-world-we-want/>.

Within 3W, we expect Post-docs to:

- Work on state-of-the-art research projects related to the mission of 3W, in collaboration with researchers from the 3W Area and leading to publications in top-tier peer-reviewed journals
- Participate actively in 3W research projects
- Develop their research building on the knowledge and expertise of the other researchers in the 3W AE
- Contribute to the 360° impact of the AE research (e.g., pedagogical applications, white papers, corporate or societal events).

We are especially interested in candidates with research experience and interest in the following areas:

- Inclusion, equality, and diversity in business and management
- Business ethics, ethical decision-making, and social responsibility
- Social entrepreneurship
- Sustainable finance
- Sustainable production and/or sustainable consumption practices

All methodological approaches are welcome.

Post-docs are required to be in residence for the duration of the appointment. This is a one-year position, renewable for one additional year contingent on academic achievement.

The ideal candidate should:

- Hold a doctorate or Ph.D.
- Show ability to publish research in top-tier, peer-reviewed journals
- Have project management skills (e.g., contribute autonomously to the organization of events)

Applications should be made through Interfolio (<http://apply.interfolio.com/96026>) and include:

- A cover letter indicating the motivation to join the 3W AE
- A curriculum vitae
- A brief profile of the candidate research program
- Writing samples (max of three) best representing the candidate profile
- Contact information for up to three recommendation letters writers (our system, Interfolio, will ask for the letters)

For any question please contact the Director of the 3W AE, Prof. Paolo Antonetti (paolo.antonetti@neoma-bs.fr).
